

Dear Friends Wine List

Gourmet Traveller Glass Rating – Australia's Wine List of the Year 2009

2010 Gold Plate Finalist – Wine List of the Year

The Wine list is designed to complement the flavours on the menu. It includes Western Australian wine (including the best of the Swan Valley), as well as premium Australian and International wines.

The wines are carefully chosen only after personal tastings from both Kelli (Sommelier) and Kiren (Chef). Visiting wineries, and speaking with wine makers is a vital part in choosing the wines, and when possible wines are purchased direct from the producers. Please don't hesitate to ask for our recommendations. We can suggest wines to enhance your food and occasion based on your personal taste!

We have an excellent selection of rare and limited wines which are in bold throughout the list. They are stored in a temperature controlled cellar. Please allow time for retrieval and decanting.
